

# Hands On Connect

HandsOn Connect is replacing 1-800-Volunteer.org as our community's volunteer management platform. It will offer you the opportunity to manage, track and report on people, programs, trainings and volunteer opportunities. Join us in making this transition!

## GET READY!

HandsOn Connect will be launching the week of Labor Day!

## CONTACT INFORMATION

Please provide us with the current contact information for the person at your organization who oversees volunteer recruitment

## TRAINING

We will be sending out a pdf version of instructions for using HandsOn Connect

We will also be scheduling group and one-on-one training sessions that will be geared towards enhancing your use of HandsOn Connect to maximize its potential
